

Fraudulent Activity

Be aware that if we collect donations from a individual, company or from a specific groups it will come to the direct notification of the management trustee and joint management trustee with immediate effect. The donation we receive will be updated in our donation tracker in 10 business days so that the donator can understand where his donation amount is given. We are not responsible for donations collected by unauthorized persons and if found anyone is involving in this types of unethical issues will be noted and file a complaint as per norms.

Kindly be advised that SF employees, grantees or any supporting volunteers, front liners do not:

1. Request administrative / processing fees for giving a donation.
2. Host internet lotteries, road shows, branding activities or offer prizes of any kind through email, postal mail, telephone, fax, or in person
3. Collect registration fees for conducting conferences or summits.
4. Wont request information about bank accounts or other private information.
5. Approach individuals in person offering grant opportunities

In this regard, in case if you need more information/clarification do mail us to support@sf-india.org
