

Project 1

November 10, 2013

Gifted 25 plants to 25 houses in Malumachampatty village in Coimbatore. These 25 houses will grow the plants very carefully and after three months we will visit these houses and verify how they had monitored the plant. Which plant is grown well in regard to height, prosperity etc., that house owner will be given a gold coin. The objective is we need make our country green. Its memorable day for me and enjoyed the joy of giving on November 10, 2013. Lets begin to work for our society.... We need your blessings in this regard. Thank You!
