

Project 4

We gifted 50 Teak wood plants for 50 families to the rural areas of the Kovilpalayam area near Pollachi on April 6, 2014. The best part of the function is after getting 12 A Registration this is the first official function of SF. We are pretty lucky that we gifted in Sri Guruji meditation center in SMR Tirumuna Mandapam evening at 8.00 pm to 11.00 pm. Photo snaps will be uploaded before this day breaks.
